

Besides dedicated spots  
Sedan size = 1  
Truck size = 3  
Motorbike size = 1/2  
Total garage size = 100

-Cars can park in truck spots for more money  
-Trucks can't park in car/bike spots  
-Bikes can park in car spots for more money but not truck spots  
  
This all only applies if dedicated spot is taken
